

A family business you know

Describe a family business (or, a small business) that you know.

You should say:

what business it is

how you know it

who the customers (or clients) are

and explain what you think of this business.

Part 3

Big & Small Companies

- Do people in your country generally prefer to work for a small company, or a big one?
- Why do some people choose to work in a small company?

Starting / Running a Business

- Would you prefer to have your own business, or to work as an employee (in someone else's business)?
- Why do so many people want to be self-employed?
- In your country, how can someone be a successful businessperson?
- What abilities does a person need to have in order to successfully run a business?
- What do you think is the most important thing when running a

business?

- What do you think is the most difficult part of running a business?
- Do many women run businesses in your country?
- What does someone need (to do, or have) in order to start a business in your country?
- What do you think are the advantages, and disadvantages, of having a family business?
- Which do you think would be better, to start a business with a member (or members) of your family, or to start one with someone outside the family?
- If you found your family member was not suitable to be your business partner, what would you do?

International Business

- Do you think international trade is good?
- Do you think international trade is important?
- What would you say are the advantages and disadvantages of limiting the amount of imports into a country?
- Would you say globalization is a positive development?
