

A Language You Would Like to Learn

Describe a foreign language you would like to learn (besides English).

You should say:

what language

how you would learn it

what difficulties you think you might (or would) have when learning this language.

and explain why you would like to learn this language.

Part 3

Learning a Language

- Do you like learning languages?
- How did you learn the languages that you know?
- Why do people learn languages?
- (Similar to above) What are the benefits of learning a foreign language?
- Would you say it's important to learn a foreign language?
- Do you think everyone should learn a foreign language?
- Do you think children should learn foreign languages in school?
- Is English a popular language to learn in your country?
- What do you think is the best way to learn another language?
- What difficulties do people have in learning a language?
- What qualities do you think a good language teacher needs to have?
- How do you think language classes could be made more interesting?

- What methods do you think teachers should use when teaching a foreign language?
- Can you suggest why some people learn foreign languages faster than others?
- Why do some people reach a higher level of proficiency in a language than other people?
- Do you think that some people are particularly talented in learning languages?
- What skills do you think people need to use in order to learn a foreign language?
- Do you have any suggestions that would help people learn a language?
- Do you think some people can learn a third language faster than their second language?
- Do you think children have an advantage over adults when learning a language?
- What age would you say is the best age to start learning a language?
- Do you think it's easier to learn a foreign language in a foreign country?

Languages in the World

- Which language do you think will be the most common language in the future?
- Do you think English will still be dominant in the future?
- Do you think it would be better if everyone in the world spoke the same language?
- Do you think there would be advantages if everyone in the world spoke the same language?

- What would be the disadvantages if everyone spoke the same language?
- Do you think people can get to know the culture of another country without knowing the language there?
- Would an international language be good for doing business (international trade)?
