

## **A film or TV program that made you laugh**

### **Describe a film or TV program that made you laugh.**

You should say:

what film or TV program it was

what the film or TV program was about

who the actors were

and explain why (or how) it made you laugh.

## **Part 3**

### **Laughter**

- Would you say it's good for people to laugh?
- Can you give any examples of what makes children laugh?
- Do you think children laugh more often than adults?

### **Humour**

- Do you think it's important for teachers to be funny?
- (Similar to above, but not exactly the same) Do you think it's important for teachers to have a sense of humour?
- (Different to above) Do you think it's good for teachers to sometimes use humour in their lessons?

### **Happiness**

- What are some examples of what makes people in your country feel

happy?

- Would you say children are generally happier than adults?
- What do you do when you feel sad?
