

A beautiful city

Describe city that you think is beautiful.

You should say:

what city it is

where it is

how you know about this city

and explain why you think this place is beautiful.

Part 3

Tourism (to historical locations)

- Do people in your country like to visit historical sites (or, places)?
- What sorts of problems, or challenges are there in maintaining historical sites?
- How do you think these problems can be managed?
- Do you think it's good if too many tourists go to a historical site?
- What can be done to prevent damage to historical locations by tourists?
- Do you think it's a responsibility of the government to maintain and protect historical places?

Living in Cities

- Why do so many people want to live in modern cities?
- Do people in the cities of your country mostly live in single houses or do they mostly live in apartments?

- Some people say that modern cities all look the same. Do you agree?
