

## **An Activity You Do Alone**

**Describe a free-time activity that you do alone.**

You should say:

what activity it is

how often you do it

where you do it

and explain why you do this activity.

## **Part 3**

### **Young People's Free Time**

- Do young people in your country spend a lot of time alone?
- What do young people in your country usually do in their spare time?
- Do you think high school students in your country should have more free time (than they have now)?
- Do you usually plan what you will do in your free time, such as what you will do tonight or next Sunday? \*
- How do you plan what you will do in your free time?
- How do you choose what to do in your free time? \*
- Do young people do whatever they want to do in their free time or are they told what to do?
- Should parents help their children to manage their time?
- Do you think parents should spend more time with their children?
- Why do you think some people prefer to spend their free time outdoors while others prefer to do indoor activities?

- Would you say people nowadays are living at a faster pace than they did in the past (e.g., several decades ago)?

### **Work**

- Do young people like their jobs in your country?
- Do you think people in your country spend too much time at work?
- Would you say that people in your country now work longer hours (per week or per day) than in the past?
- What would you say are the advantages and disadvantages of having a flexible work time?
- Would you say that busy people at work are always more productive than people who are not so busy?
