

Crowded Places

- What are the most crowded places in your hometown (or where you are living now)?
- Do you like (to go to) crowded places?
- (Similar to above) How do you feel in crowded places?
- Do you prefer to go to crowded places or places that have few people?
- When was the last time you went to a crowded place (or, were in a crowded place)?
- Would you say people with the same interests usually get along with each other when they are in a crowd?
