

An Unused Thing

Describe something you bought but do not often use.

You should say:

what you bought

where you bought it

why you bought it

and explain why you don't often use it.

Part 3

Shopping in Your Country

- Where do people do their daily shopping?
- In general, would you say people like shopping?
- When people go shopping, do they usually have a plan of what they intend to buy?
- What are the advantages and disadvantages of shopping in big shopping centres (shopping malls) and department stores?
- What is more important for most people when they buy a product, the quality or the price?
- Do you think people like advertising?

Recycling

- What are the most commonly recycled things (or, materials) in your

country?

- Why are these things recycled?
- What would be the results if they were not recycled? *
- When people buy things, do you think there is too much waste material included with what they are buying?
