

Someone to Study or Work With

Describe someone you would like to work or study with.

You should say:

who this person is

how you know this person

what you would do together

and explain why you would like to like to work or study with this person.

Part 3

Education in Your Country

- What do children study at school in your country?
- Do you think school boys and girls should sit together in the classroom?
- How important would you say it is that school children study with people who they like?
- Do you think it's good for a child to learn (or, study) alone?

Work in Your Country

- What kinds of people do you like to work with?
- (Similar to above) What kinds of people would you like to work with?
- (Similar to above) What kinds of people do you want to work with?

- In a workplace (e.g., a company) do you think the personality of the employees (or, one's colleagues) is important?
- Which is (or, would be) more important for you, developing your work-related skills, or being being recognized (or, appreciated) by your supervisor?
- Do you think managers can be friends with their subordinates?
