

## **A Special Dish**

**Describe a kind of food that people in your country eat during a special event**

You should say:

what it is

how it is cooked (or made)

during what special events it is eaten

and explain why this food is eaten at this (or these) special events.

## **Part 3**

### **Food in Your Country**

- What kinds of food do most people eat in your country?
- (Similar to above) What are the most popular types of food in your country?
- Are there any differences in what people eat in between different parts of the country, such as between the north and south?
- Is food considered to be an important part of the culture in your country?
- Are traditional dishes very important?
- What kinds of foods do people eat at parties (or on special occasions) in your country?

### **Eating Habits in Your Country**

- How are people's eating habits today different to those of the past?
- Have foreign influences had any impact on people's dietary habits in your country?
- Do you think people should eat meals with their families?
- What would you say is the value of eating with one's family?

### **Food Production**

- Are there any difficulties (or problems) concerning food production in your country?
- Do you think there will be more difficulties in the future?
- Do many people in your country grow their own vegetables?
- (Similar to above) Do many people in your country grow their own food?
- Can you suggest why some people (choose to) grow their own food nowadays?
