

Something You Want to Do

Describe something you want to do but have never had time to do.

You should say:

what it is you want to do

where you would do it

who you would do it with

and explain why you haven't had time to do it.

Part 3

How People Spend Their Time

- Can you give any more examples of the kinds of things that people would like to do but don't have time to do?
- Can you explain why people want to do things that they can't do?
- Besides working, what do most people do with their time?
- (Similar to above) What things do you do during the day?
- Do you think that what people do in their free time changes as they grow older?

Time Management

- Do you often feel that there isn't enough time to do the things you want to do?
- Would you say most people manage their time well?

- What do you think are some effective ways to manage one's time?
- Are there any commonly used apps on smartphones that help people use their time more efficiently?
- Besides daily work or study, do you think it's necessary for people to live their lives according to a time schedule?
- Is it necessary to have time for (rest and) relaxation?
- Do you have any suggestions on how a person can give themselves enough time for relaxing and enjoying life?
- (Similar to above) How can a person improve the quality of their life in the free time that they have?
- Do you think successful people have better time management skills than others?
- Do you think elderly people are better time managers than young people?
- Do you think it's easier for boys to waste time than girls?
- Would you say time management is important?
