

### **A Friend's Success**

**Describe an achievement of one of your friends that made you feel proud.**

You should say:

who this friend was (or, is)

what the success was

how your friend achieved this success

or

how long you have known this friend

and explain why you were (or, are) proud of your friend's success.

#### Note

- The word, "success" might be written instead of "achievement".

### **Part 3**

#### **Success in Your Country**

- What kinds of people are considered to be successful in your society?

- How do these people become successful?
- What personal qualities do you think someone needs in order to become successful?
- Do you think a university degree is a guarantee of future success in one's career?
- Do you think people who do mental work are more likely to be successful (or viewed as successful) than people who do practical work?
- Why do you think many people fail to become successful?
- Would you say successful people are generally happier than other people?
- What are the rewards (the benefits) of success?
- How important do you think success is in life?

### **Success at School**

- Do you think it's possible for students to be successful?
- Do you think grades in school are the only measure of success?
- What are some examples of the different forms of success that students can have at school?
- Do you think students can be taught how to be successful?
