

## **Something You Found**

**Describe a time when you found something that someone else had lost.**

You should say:

what it was

where you found it

how you found it (what you were doing when you found it)

and explain what you did with it.

## **Part 3**

### **Losing and Finding Things**

- Do you think people often lose things?
- What sorts of things are most often lost by people?
- Have you ever lost anything?
- How do people find their lost things?
- How can parents teach their children to avoid losing things?
- What do people usually do when they find something that someone has lost?
- What do you think people should do when they find something that someone has lost?

### **Collecting Things**

- Do many people in your country like to collect things?

- Can you suggest why some people like to collect old things?
- How do they get those old things?
- Are there any old things that are especially interesting in the study of history?
- Where can those things be found?
