

## **Your Home/Accommodation**

### **Main Questions**

- Where are you living (where do you live) at the moment?
- Have you lived there for a long time?
- Do you like it?
- (Similar to above) Do you like the environment around where you are living?
- What do you like about the area around where you live?
- Where do you like to go to in your area?
- Who do you live with?
- Do many people live in your neighbourhood?
- Do you know the people (or, many people) living around you (living nearby)?
- Do you have many friends there?
- Are you planning to move to another area to live?
- What changes have you seen in this area (since you have been living there)?
- What changes (= what improvements) would you like to see in this area?
- (Different to above) What changes are you expecting (to see) in this area?

### **Possible Other Questions**

- Is that far from here (the test centre)?
- Please describe the area you live in.
- Would you say it's a good place to live?
- Is this place famous for anything?

- Are there any interesting places near (or, in) this area?
